Adult Ministries:

Small Group Ministries We believe that God designed us for relationship. That is why small groups are at the core of our ministry. **Community Small Groups** meet throughout the week in neighborhood homes to help us build deeper friendships and grow spiritually as we study God's Word.

Sunday Small Groups These are groups that meet on Sunday mornings for in-depth Bible study and fellowship. Pick up a current schedule at the Welcome Center.

Singles Vertical Meeting every 2nd and 4th Friday evening of the month, **Vertical** is a group for singles that incorporates worship, fellowship, and solid Bible teaching in a casual environment and helps you get connected.

Men's Ministries Weekly Bible Studies that are especially designed for men are available at various times during the week.

Women's Ministries Our women's groups are designed for women of all ages and offer the opportunity to be mentored and learn to apply God's Word to the challenges of life. Women also join together for regular compassion projects, elegant outreach events, many opportunities for prayer, and fellowship in abundance.

Senior Adult Ministries Our **Winter Bible Series** in the months of January, February, and March draw many seniors to hear well-known speakers. Pick up a current schedule at the Welcome Center. Sunday **Evensong** features traditional hymn singing and a Scripture reading meditation from God's Word. **PrimeTime** provides a monthly opportunity for seniors to get together over lunch while hearing from a speaker.
