Outreach Ministries:

Boca Raton Community Church is a place where everyone can feel welcome. We love the fact that we live in South Florida, one of the most culturally diverse areas in the U.S.! Some of the ways you can get involved are:

International:

Missionaries We support approximately 20 missionaries who are seeking to share Christ in the U.S. and overseas. Some are planting churches, others are working as engineers or in orphanages.

Domestic and International Mission Trips Annually, we plan high school, college, and adult mission programs, where church members serve in Haiti, Ukraine, Trinidad, Nepal, India, Mexico, and Brazil.

Model Churches We assist churches in Kharkov, Ukraine, and Kathmandu, Nepal, with aid for outreach and compassion projects, such as infant orphans, a community playground, a crisis pregnancy center, and international student ministry.

International Students in South Florida:

We are able to welcome hundreds of international students to our city each year. At the beginning of the school year we hold a special banquet where we give a warm welcome to new students and offer information on the area and our church. Our International Thanksgiving Dinner is always a highlight of the fall.

The **Friendship Family Program** pairs international students up with people from our church who invite them for meals from time to time, help them with any questions they have about life in the US and have a lot of fun getting to know someone from another culture. What better way to reach out to the world than by taking a student under your wing!

Compassion Ministries:

Compassion ministries enable us to reach out to our community with the love of Christ and through projects such as:

Children Working with **4KIDS**, we seek to offer protection, provision, and permanent solutions for the 3 to 4 thousand children in the South Florida foster care system. Volunteers assist by:

- providing support for the 4KIDS offices, SafePlace center, and foster homes
- joining the **Mentor a Youth** program, a one-year commitment to meet weekly with those who have "aged out" of the foster system
- becoming a foster parent and opening heart and home to a child in need

Partnering with **Kids For Christ**, we run VBS, school rallies and after-school programs in local underprivileged housing estates.

Our **Christmas Children's Initiative** provides opportunities to bring Christmas Blessings to children in need. You can purchase gifts for foster children or children of prisoners in Palm Beach County, and bless children in Kathmandu, Nepal, and Kharkov, Ukraine.

Food/Clothing Distribution Working with various organizations, we collect and distribute food and clothing for the most needy in Palm Beach County.

Elderly The elderly are among the most forgotten members of our society. We organize visitation, where we encourage them, run errands, and assist in any way we can.

Work Teams provide assistance for small building projects to benefit compassion organizations or individuals in need.

Prison Ministries Our Men's and Women's Prison Ministry Teams present the gospel story with music and an outpouring of love for those who are incarcerated.

Get Involved!

Where would you like to use your talents, your gifts, your passion? Boca Raton Community Church has a Compassion Ministry to meet everyone's desire to serve.
