## Middle and High School Students' Ministries

**Middle and High School: Sunday Small Groups** Each Sunday morning we offer a small group teaching and sharing time for students in grades 9-12. The groups meet to study God's Word, pray, and share about their life journey in Christ. Led by adults, these groups provide a safe, caring environment, and meet during the 9:00 a.m hour in RAC A (Grades 6-8) and the lower level of the Ministry Center. (Grades 9-12).

**Ignition for Middle School** Meeting each Sunday night, **Ignition** is a place for middle school students to escape the busyness of their life routine and find solitude in Christ. They experience games, worship, challenges, video clips, music, and a message from God's Word. **Ignition** is held at the Recreation and Athletic Center in room A beginning at 6:30 p.m.

**Ignite - Small Group for Middle School Girls** Middle School Girls can join us for a time to study and become "Girls of Grace". Dinner is served along with a bible study, a craft time and/or cooking lessons. Ignite meets every first and third Sunday night of the month. Directions are available at Ignition meetings or by contacting the Student Ministry Office.

**Amplify for High School** It is a relaxed environment that allows teenagers to fellowship, build relationships with caring adults, play games, worship, and be encouraged by God's Word. Guests are always welcome. We regularly share testimonies, view videos, share prayer requests, and announce upcoming events. **Amplify** is held in the RAC at 6:30 p.m.

**Events – Middle and High School** We offer periodic fellowship events to trigger outreach or spiritual growth in our students. These occur on a monthly basis and include activities such as canoe trips, waterpark/amusement park days, concerts, Boomers, bowling, dodgeball, scavenger hunts, beach days, movie nights, conferences, and more.

**Mission Trips** Each summer we offer one or more mission experiences for our high school students. We desire for students to mature in Christ to the point that they are "sharing Christ" with those around the world. These trips stretch students beyond their comfort zone, train them in personal evangelism, accountability, and spiritual disciplines.

## Sports Ministries

Using the opportunity of sports, we seek to provide both fellowship and outreach. Through open basketball nights, Futsal, and church softball, we are able to reach out to our community in a unique way for Christ.

## Get Connected and Get Involved!

Would you like to be contacted for future programs and events? Would you like to be added to our rosters? Please contact our office with your name, address, phone number, and e-mail, and we will add you to our communication lists.

Aside from key staff members, Students'/Sports Ministries are an adult volunteer and parent-led ministry. The staff members are Pastor Chris Euler, Sarah Keane (Administrative Assistant), and Jordan Ross (Student/Sports Intern), but we believe some of the most important leadership comes from the volunteers and parents. We are currently in need of godly men and women, who are willing to lead, teach, share, serve, and support the students in our ministry. If you would like to become involved in the Student Ministries Leadership Team, please contact the Students' and Sports Ministries Office for an Adult Leader Packet.
