Middle School and High School Student Ministries

Sunday Morning Small Groups: Each Sunday morning we offer a small group teaching and discussion time for middle school and high school students. The groups meet to study God's Word, pray, and share their life journey with Christ. Led by adults, these groups provide a safe, caring environment that meets during the 9:00 AM hour. The middle school meets in RAC A, and the high school meets in RAC C.

The Highway: Every Sunday evening from 6:30-8:30 PM, middle school and high school students meet in RAC A for an evening of exciting activities, awesome worship, and a challenging message from God's Word. The Highway is designed to provide you with a road map for life, bring breath-taking excitement to your week, and be a safe haven of rescue! The gym is open for soccer, basketball, volleyball, ultimate Frisbee, or if you simply want to just throw balls at the Youth Pastor! We also break off into discussion groups where your walk with Christ will be challenged. Invite your friends and come join us as we walk The Highway of life

The Living Room: Not sure what to do on Wednesday nights? Tired of being involved in detailed and overly organized youth nights? Then come hang out, relax, chill, and build relationships with other teenagers each Wednesday evening at The Living Room! We provide an awesome home-cooked meal each week and a huge backyard to burn some energy from your crazy week. It is your chance to get connected with other students in a laid back environment. We conclude each week with a time of worship, short Bible study, and open discussion. Doors to the White House (475 NW 6th St) open up at 6:00 PM and we wrap things up around 8:00 PM.

Ministry Teams: The Ministry Team portion of our youth ministry is designed to activate the gifts of the students while providing them with discipleship and evangelistic opportunities. Students will have

the option to choose which Ministry Team will best utilize their God-given gifts and talents. They will also experience training and teaching in their specific area of ministry. These teams include a Student Worship Team, Technical Arts Team, Compassion Team, Drama Team, Student Leadership Team, and Children's Ministry Team.

Events: We periodically offer events to trigger a community environment, outreach, and spiritual growth within our students. These occur on a monthly basis and include activities such as sports nights, amusement park trips, concerts, scavenger hunts, beach days, Rock the Universe, leadership conferences, and more.

Student Leadership University: There is no greater leadership conference, camp, or institute than SLU. It provides students with a 20-year quantum leap into future leadership roles and opportunities. We attend SLU 101 in Orlando each year, and will attend SLU 201 in Washington D.C. this coming year. We look forward to future trips to Paris and Normandy for SLU 301 and Israel for SLU 401.

Mission Trips Each summer we offer one or more mission experiences for our high school students. We desire for students to mature in Christ to the point that they are "sharing Christ" with those around the world. These trips stretch students beyond their comfort zone, train them in personal evangelism, accountability, and spiritual disciplines.

Get Connected and Get Involved!

Would you like to be contacted for future programs and events? Would you like to be added to our contact lists? Please contact our office with your name, address, phone number, and e-mail, and we will add you to our communication lists.

Aside from key staff members, Student Ministries are an adult volunteer and parent-led ministry. The staff members are Pastor Chris Euler and Kim Schappell (Family Ministries Administrative Assistant) but we believe some of the most important leadership comes from the volunteers and parents. We are currently in need of Godly men and women, who are willing to lead, teach, share, serve, and support the students in our ministry. If you would like to become involved in the Student Ministries Leadership Team, please contact the Students' Ministries Office for more information.
