
The Role of a Leader

A group leader's role is to facilitate discussion. They are not expected to teach a lesson and it is okay if they aren't experts on the weekly topic. Group time will consist of viewing and discussing a thirty minute video of Pastor Bill Mitchell teaching on a particular topic. The leader's main responsibility is to create a safe environment for group discussion to happen.

Tips for Effective Group Discussion

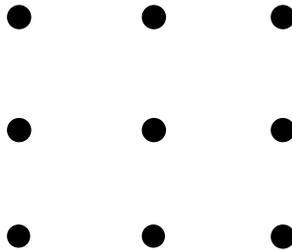

- Leaders should introduce the video before it is played.
- It is important to encourage everyone to participate at some point during the discussion. Participation from everyone leads to better camaraderie and discussion.
- Make sure everyone has a chance to speak. Don't let one person dominate the conversation.
- Focus discussion on the topic taught in the video. Try to keep the conversation from getting off topic.
- Leaders should view the video and fill-in the answers to the questions prior to the group meeting.
- Before each session, leaders should go over any ground rules they may choose to set.

Helpful Discussion Questions

- What stood out to you in this video and why?

- What is one practical lesson you can apply in the workplace? Explain and discuss how to apply.
