

**Every Worldview has
four elements:**

1. How things began, the reason for our origins, what ultimate reality is like.

2. It describes the problem - something has gone wrong. How do we know right and wrong; good and evil?

**3. It gives the solution,
the way to fix the
wrong.**

**4. It tells us what the
world would look like
once the repair takes
place.**

1. How things began, the reason for our origins, what ultimate reality is like.

Creation

2. It describes the problem - something has gone wrong. How do we know right and wrong; good and evil?

The Fall

**3. It gives the solution,
the way to fix the wrong.**

Redemption

**4. It tells us what the world
would look like once the
repair takes place.**

Restoration

A Basic Story has four parts:

- 1. Beginning**
- 2. Something goes wrong**
- 3. The Conflict**
- 4. The Solution**

Two Obstacles in the Christian Story:

- 1. Something has gone terribly wrong and everybody knows it.**

Two Obstacles in the Christian Story:

- 2. If there was a God, and if he really was good, and if he really was powerful, then the world would be a different kind of place.**

The Christian Story in five words:

- 1. God**
- 2. Humanity**
- 3. Jesus**
- 4. Cross**
- 5. Resurrection**

Four things about Our Story:

1. The story starts with God
2. The story is about Him, not us
3. Everything belongs to Him
4. God is **distinct** from the rest of creation; but He is **not distant**.

The Story is not so much about God's plan for your life, as it is about your life for God's plan.

Two Objections about Our Story:

1. Who created God? What caused God?

Two Objections about Our Story:

2. Do miracles really happen?
